Mr. J. B. Greer
c/o Jacksonville Red Caps
Jacksonville, Florida

Dear Mr. Greer:

Please forgive me for not answering your wire, but I was out of town when it arrived. I would not have been able to come to Jacksonville April 26th and 27th any way, as we are playing in Macon, Georgia the 27th.

I would like very much to hear from you what the baseball picture is in your neighborhood. Would it be worthwhile making a trip down that way? If not before, we can possibly come in September as our players have been given five-months contracts, which means we must keep busy until the last of September.

I would be glad to hear from you again soon. Wish you success with the Ball Club this season.

Very truly yours,
